

The Krystal KLX40, built on the FCCC S2C chassis, has been designed for the ultimate rider experience in comfort and luxury. The 300 HP Cummins ISB engine and Allison 2500 transmission will power the bus in any terrain and air brakes make stops smooth and safe with easy maintenance. The industry-leading three-quarter-length glass sliding electric door provides increased visibility and safety for the driver and passengers. Elegant, lavish and astute; today's Krystal keeps you content and comfortable wherever the road may take you.

### **Luxury for the Driven.**

- Full view front observation window and large bonded windows enhance riding experience
- Unique three-quarter glass electric sliding plug door creates an impressive invitation and an almost seamless sidewall when closed
- Beautiful molded fiberglass exterior panels eliminate any corrosion issues
- 102" wide body for ample passenger comfort
- Steel tube construction to maximize strength and durability
- Complete roof top Air Conditioning system
- 4 year/50,000 mile limited warranty, one of the best in its class!

\*Varies based on your state and the options selected. \*Photo shown with optional equipment.
