

► The Senator II MVP

► Raising the bar is something people have grown accustomed to from StarTrans Bus. Now StarTrans Bus raises the bar once again by offering the most capacity available on a Ford cutaway...the Senator II MVP. The MVP offers 24 plus rear luggage or 28 passenger floor plans, giving you the people-moving capacity and storage availability you desire without having to purchase a larger bus. Whether you are being shuttled around town or travelling longer distances, the Senator II MVP provides the safety and durability you demand via its fully welded steel cage construction. In addition, every one of our buses must go through rigorous testing and a meticulous quality assurance process before our name goes on it. So whether it's capacity, safety or durability that drives your next purchase, the Senator II MVP from StarTrans Bus delivers.
