

C2

Finding the right bus to transport your group is a lot of responsibility. You need something safe, reliable and versatile. Our Transit-Liner™ C2 can be customized to meet your specific needs with unique features like coach-style seating, overhead roof racks, video systems and tinted windows. The C2 continues to redefine industry standards, featuring outstanding maneuverability, state-of-the-art driver ergonomics and the most visibility among all Type C buses. And with one of the most extensive dealer networks in the industry, there's always support nearby when you need it. Innovation leads to great things at Thomas Built Buses. Namely, a better bus for everyone.
